Dear Professor Goldziher,

Many thanks for your
 kindness in sending me your "Vorlesungen
 über den Islam", which I am sure
 that I shall read with equal
 pleasure & profit. I have already
 looked through the chapter on Sufism
 and find it full of instruction. In a
 short time I hope to send you my
 translation of the Kashf al-Mahjûb
 which will be published by the
 Trustees of the Gibb Memorial. It is
 a very interesting work & contains
 much new material for the early history
 of Sufism. I am working at a large
 book on this subject but cannot make
 rapid progress in the meantime as

I have not the necessary leisure.

With kind regards,

Yours sincerely

Reginald A. Nicholson.
